## **FEBRUARY BREAK CHECKLIST: SCIENCE**

***Please complete the tasks below by Monday February 22nd.***

You can complete them in any order you may like. Please do not wait until Sunday the 21st to begin! All resources for the rough draft will be posted on my website and google classroom.

- ☐ Revise your Procedure (Part 6) and Materials List (Part 5) in the Rough Draft of your Ball Bounce Lab document on google classroom.
- ☐ Write the Background Section (Part 2) of your Ball Bounce Lab rough draft.
  - ☐ Start with the graphic organizer on the other side of this paper.
  - ☐ Then type it into the document on google classroom.
- ☐ Make sure your IDD (Part 3) is completed if you have not done that already- that will be checked late one more time after break. (It will remain a 0 if it is not done by 2/22.)
- ☐ Clean out the Science section of your binder! KEEP the following in your binder. Keep everything else in a folder in a safe place at home. Please do not throw anything out until the end of the year!
  - ☐ Safety rules
  - ☐ Text boxes for this lab (white, blue and yellow graphic organizers for background research)
  - ☐ Energy Article (The article with the title “Energy”)
  - ☐ The Frayer Diagram or Concept Map you filled out based on the Energy Article
  - ☐ The Sample Procedures Handout
  - ☐ Quizzes 1, 2 and 3 and any corrections you have done for those quizzes
  - ☐ This paper

***TURN OVER!!!***
