

KNITTING INFORMATION

Supplies:

- A pair of plastic or wooden knitting needles. Please do not bring metal needles to school- they are very sharp!
- You will need a skein of yarn (a ball or oblong shaped ball of yarn)
 - Please see the file below for a list of yarns that we can use.
 - Choose any color you like!
 - The organization [Knots of Love](#) has gotten feedback from cancer patients about which yarns are not irritating to the skin.
 - *Please make sure you use one of the yarns from the list.*
 - I was able to find most of them at Michaels. I'm sure you can also find them on Amazon and at other craft stores or specialty stores that sell knitting supplies.
 - [Knots of Love Required Yarn List](#)
- Once you select your yarn, you can choose your needles. Look on the package to know what size needle you need.
